Our Services

• Merchant Services •

Our merchant services instantly process payments (getting them into your bank account fast). When it comes to accepting payments, all you need to do is swipe the card, we'll handle the rest.

• POS Systems •

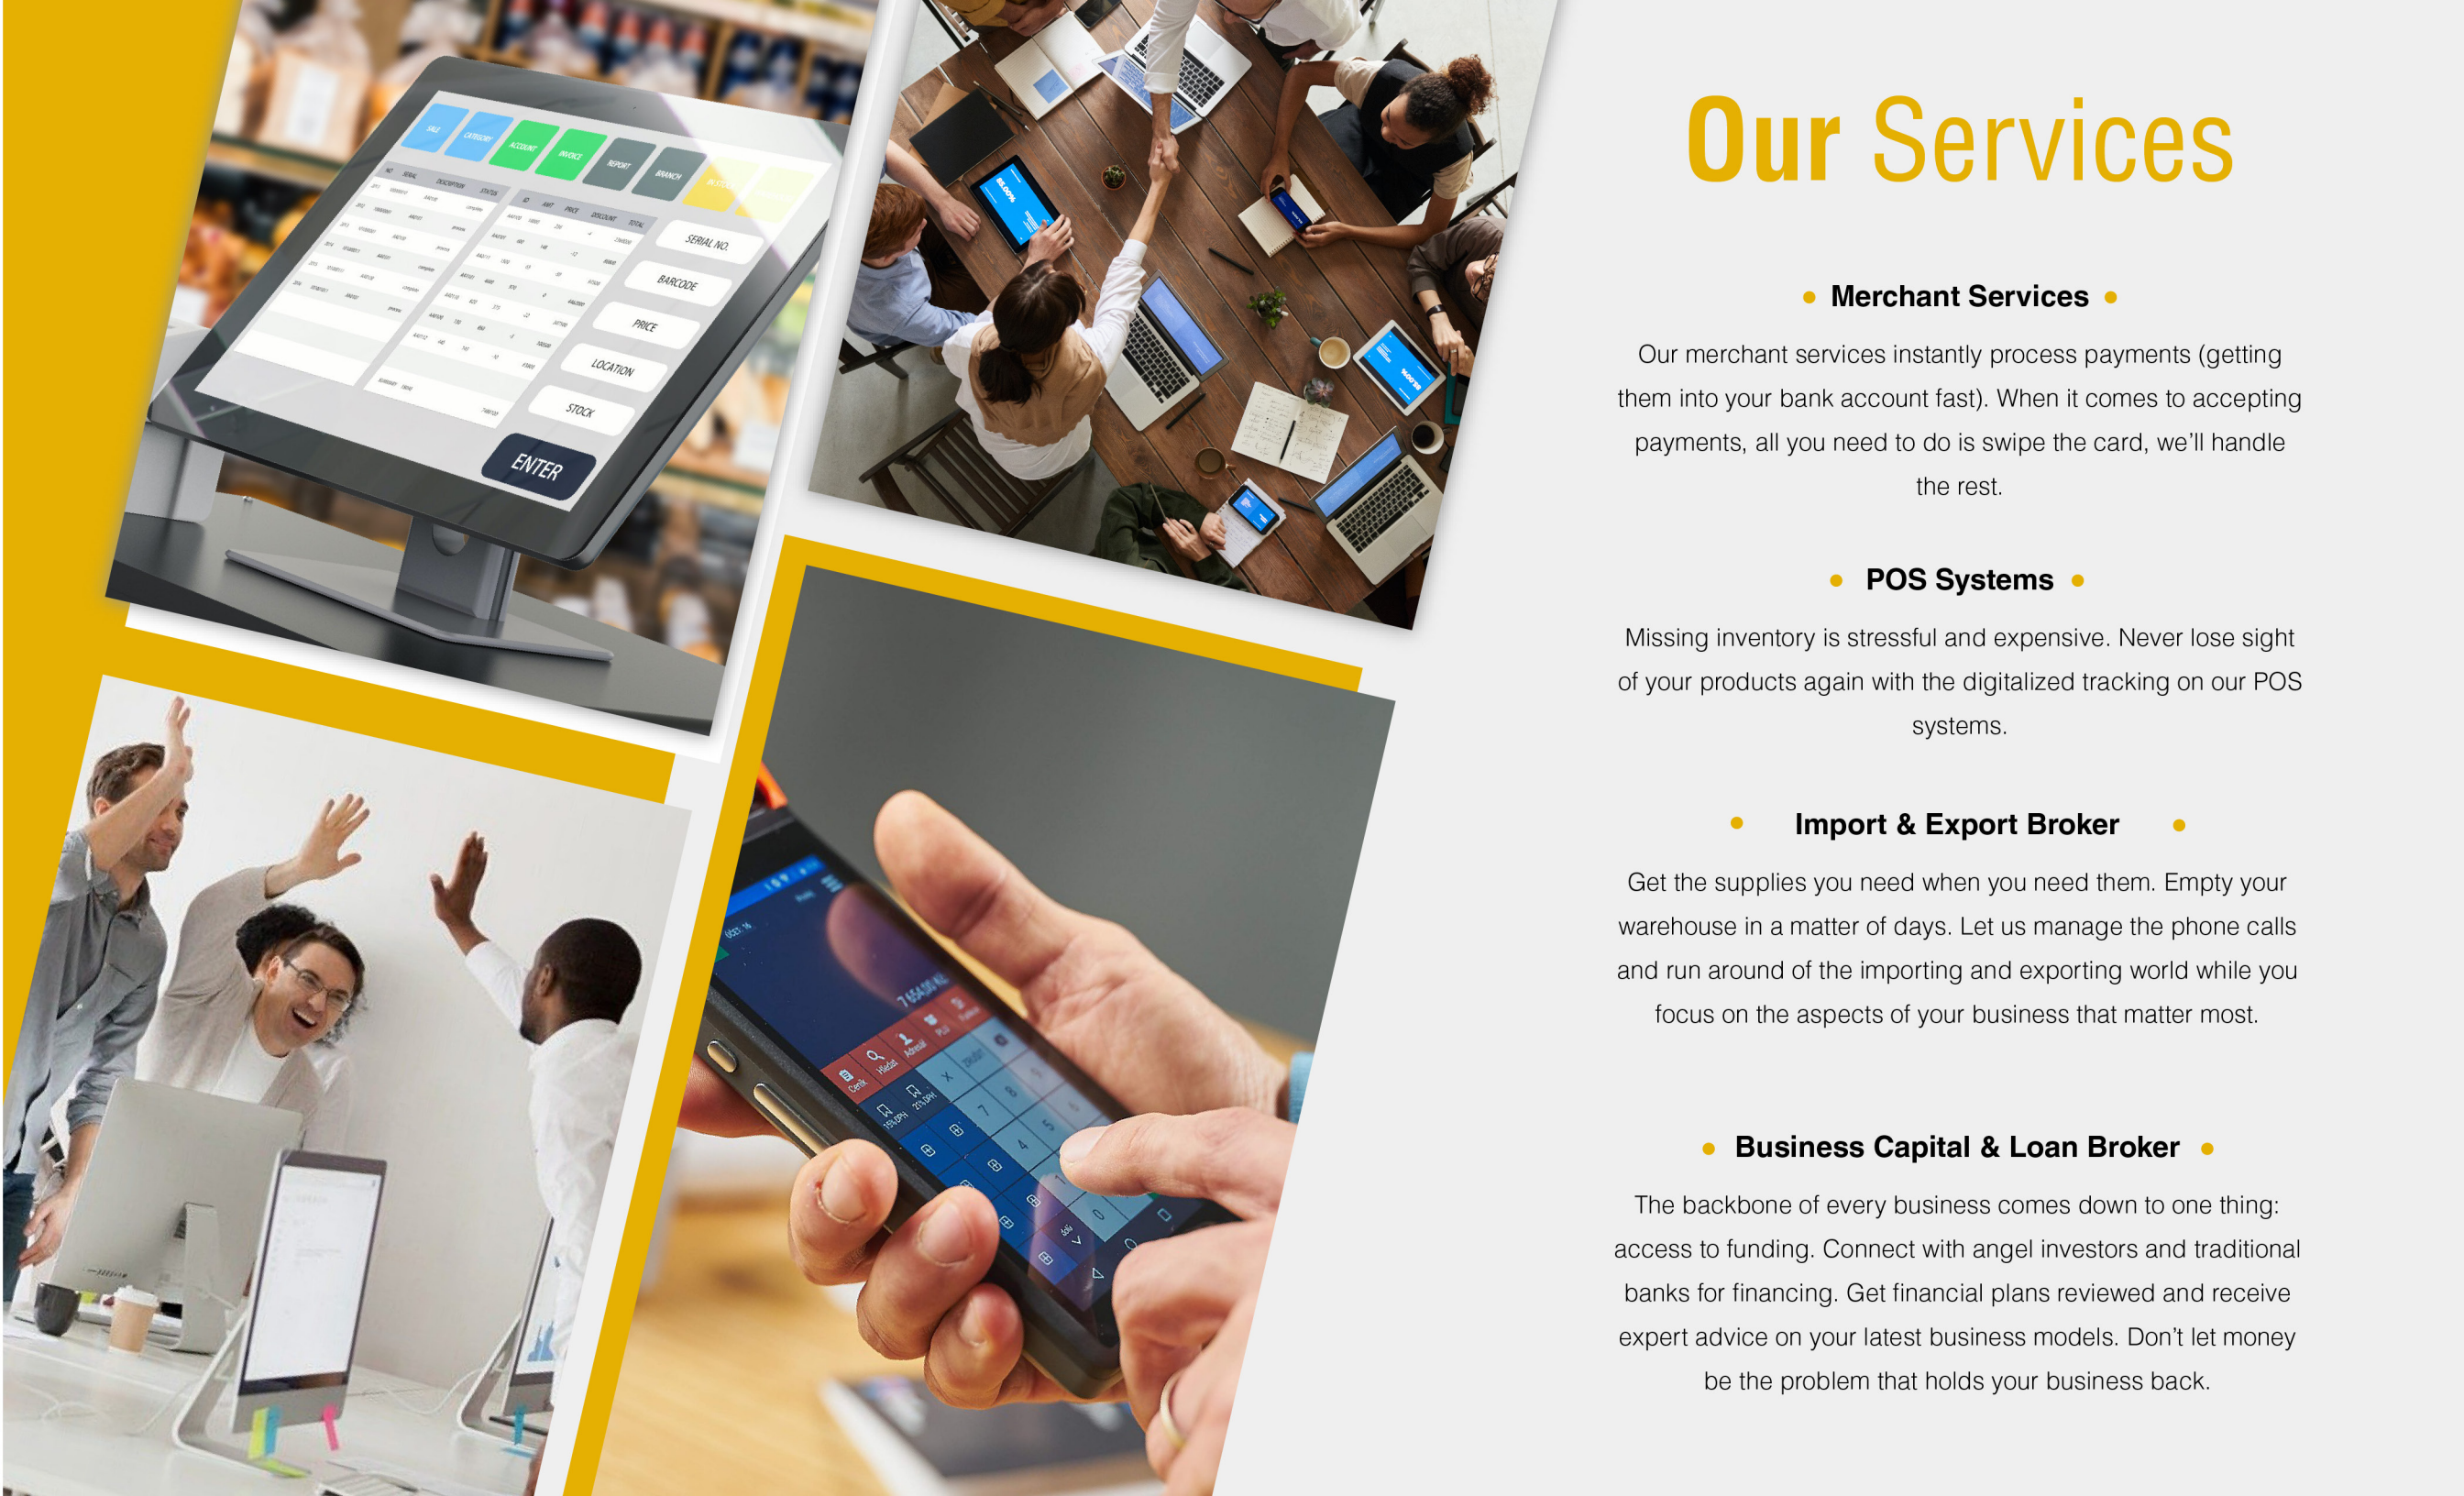

Missing inventory is stressful and expensive. Never lose sight of your products again with the digitalized tracking on our POS systems.

• Import & Export Broker •

Get the supplies you need when you need them. Empty your warehouse in a matter of days. Let us manage the phone calls and run around of the importing and exporting world while you focus on the aspects of your business that matter most.

• Business Capital & Loan Broker •

The backbone of every business comes down to one thing: access to funding. Connect with angel investors and traditional banks for financing. Get financial plans reviewed and receive expert advice on your latest business models. Don't let money be the problem that holds your business back.

Strengths

Worldwide Contacts

Our network is deeply rooted in the global economy. Whether you need to discuss agriculture in Europe or oil in the Middle East, we have contacts for every major industry in countries around the world.

Reliability

Our business is built on trust and consistency. We make things happen for our clients, and we believe deeply in staying true to our word. Our focus is on your needs first: getting supplies, funding & services for you is our top priority.

Experience

Business needs are varied and complex, but we've seen it all. Our team is made up of business experts with decades of combined experience in importing, exporting, merchant services & financing. Based off our own success, we can help guide you to the most beneficial resources for your business.

Opportunities

Give your company global reach

It takes time and effort to build connections in hard to reach areas. Leverage our contacts (who are placed strategically in every corner of the globe) to get in touch with your desired locales today.

We do the heavy lifting of sourcing materials and logistics

We'll manage all phone calls, planning details and scheduling required to transport goods from point A to point B. Whether you're importing or exporting (or both), all you need to do is tell us what needs to move and when, we'll handle the rest.

Lower cost, more Profits.

You don't need to pay the most to have the best. Our first priority is to make your business a success, not to bleed it dry. Our services are priced competitively to ensure you get the resources your business needs to grow your profits.
